ABOUT THE COLLEGE DAY

College Day is observed every year as a way to reminisce about the academic events of a year. It is also an occasion to proudly proclaim the accomplishments and milestones achieved during the academic year. One of the highlights of the College Day is the presentation of the Annual Report by the Head of the Institution. The report serves as a testimony to the efforts of the DRBCCC Hindu College management to promulgate the altruistic vision and mission of the Founder Couple. The Annual Report which is presented in a visually enriched format is also an overview of the academic laurels achieved by the faculty, co-curricular and extra-curricular achievements of the students. The College (Shift 2) is celebrating its 30th College Day for the academic year 2025-2026. The Management rewards students who have scored centum in individual subjects and those who have maintained centum attendance in the relevant academic year. Faculty members who have produced 100% results in their individual subjects are also honoured during the occasion. The Teaching and the Non-teaching staff members are also recognized for their services.
