About Kairos Communication Skill

Kairos (The Right or Opportune moment) a perfect time to upgrade the skill. It focuses on teaching students how to communicate effectively at the right time, in the right way and with the right people. Communication skills are the foundation of academic, professional, and personal success. This workshop is designed to equip students with essential communication and interpersonal skills required in today's competitive world. Students will gain valuable insights into professional behaviour and workplace expectations. The interactive sessions aim to strengthen teamwork, active listening, and leadership qualities. This workshop serves as a stepping stone towards improved employability and career readiness. Join us for a day of learning, interaction, and skill enhancement.

About the Chief Guest

Dr. V. Parkavi is the Professor and Head of the Department of Soft Skills at SIMATS Engineering, Chennai. She has over 17 years of experience in Technical English and Soft Skills. She is a renowned trainer and resource person for FDPs and workshops. Conducted across reputed institutions. She is an accomplished author, researcher, and patent holder. Her expertise includes communication, personality development, and employability skills. She is passionate about empowering students and educators to bridge the gap between academia and industry requirements. Her contributions to academia and training are highly commendable. We are delighted to welcome her as the Resource Person for this workshop on Kairos communication skills

About the Programme

Mastering Communicative English for Academic and Professional Excellence is a dynamic and transformative programme designed to equip students with the essential communication skills required for academic achievement and professional success. By strengthening the core language competencies of speaking, listening, reading, and writing, the programme enables participants to communicate with clarity, confidence, and purpose in diverse personal, academic, and workplace contexts. This enriching programme empowers learners to become competent, confident, and career-ready communicators, prepared to excel in higher education, the global workplace, and lifelong personal and professional growth. This programme is a collaborative effort by the faculty members of the department of English. We extend our sincere gratitude to Dr. C. Karpagavalli, Head Department of English, Dr. T. Devi Priya Dharshini, Prof. H. Jerlin Abishag, Prof. S. Nivedha, Prof. R. Keerthana, Prof. M. Rubitha and Prof. P. Lekka Sree for their support and contribution
