About The Resource Persons

Dr. B. KRISHNAKUMAR is the Founder and CEO of New Technology Mobile Service and Training Institute. He has over 18 years of extensive experience in the field of Electronics and IT training and holds certifications in Advanced Mobile Troubleshooting and a Diploma in Computer Application.

He is the recipient of the “Best Entrepreneur Business Leader Award” conferred by the Nobel Sansnows Professional Foundation and has also been honored with the Honorary Doctorate Award™ by Global Human Peace University. With deep technical knowledge and hands-on expertise in diagnosing and repairing mobile devices, he has mentored and trained numerous students and provided placement guidance for careers in reputed organizations.

Dr. B. KRISHNAKUMAR also serves as a consultant for aspiring entrepreneurs and has developed effective training methodologies. He has conducted electronics training programmes in over 350 colleges across Tamil Nadu and Kerala.

About the Workshop

The Tech Builder Workshop: Laptop & PC Edition is a hands-on, skill-oriented programme designed to provide participants with practical knowledge in laptop and PC hardware. The workshop focuses on understanding components, diagnosing common faults, and performing basic troubleshooting and maintenance. It aims to bridge the gap between theoretical learning and real-world technical skills, empowering participants to build confidence, enhance employability, and explore career opportunities in the field of computer hardware and technology.
